*Pastor's
Message*

Grace and peace to you from our Lord Jesus Christ! It is a blessing to welcome you to this worship service at New Orleans First Seventh-day Adventist Church. Whether you are a longtime member, a regular attendee, or a first time guest, we are truly honored by your presence. Your participation enriches our fellowship, and we look forward to worshipping with you every Sabbath. Please know that your absence is felt whenever you are unable to join us. We extend a warm invitation for you to continue worshipping, fellowshiping, and growing with us in the grace and knowledge of our Lord Jesus Christ. May your time with us today be filled with God's blessings and the joy of His presence.

Blessings, Pastor Rodil Capobres

Reverence in the Church

As we gather for worship, we kindly ask all in attendance to help maintain a spirit of reverence in the sanctuary. Let us remember that we are in the presence of God, and this space is set apart for prayer, praise, and reflection.

Please keep voices low, silence all electronic devices, and refrain from unnecessary movement during the service. Snacking, playing, feeding of children, and chewing gum is not advisable in the main sanctuary.

May our collective reverence create an atmosphere where all can seek God's presence and hear His voice.

Tithes and Offerings

“God has given us definite instruction in regard to it. He has specified tithes and offerings as the measure of our obligation. And He desires us to give regularly and systematically. . . . Let each regularly examine his income, which is all a blessing from God, and set apart the tithe as a separate fund, to be sacredly the Lord’s.”

Invocation	Speaker
1. <i>“I have a dream that one day this nation will live up to the promises of its creed: ‘Life, Liberty, and the Pursuit of Happiness.’ I have a dream that one day the sons of the Negro will be able to join with the white boys as brothers in the same schools, the same classrooms, the same playgrounds, the same churches, the same business concerns, the same labor unions, and the same government offices. I have a dream that one day the Negro will be able to sit at the same table as the white man, and drink from the same cup. I have a dream that one day the Negro will be able to vote the same way as the white man, and elect representatives to the same legislature. I have a dream that one day the Negro will be able to stand up at the same podium as the white man, and speak the same words of wisdom and truth. I have a dream that one day the Negro will be able to walk the same streets as the white man, and breathe the same air of freedom and justice. I have a dream that one day the Negro will be able to look the white man in the eye, and see the same reflection of a man who is free and equal. I have a dream that one day the Negro will be able to stand up and say, ‘I am a man, and I am proud of it.’”</i>	Dr. Martin Luther King Jr.
