860-889-4742

Room Needed for Visiting Student Nurse Practitioner

A student Nurse Practitioner is seeking a **room to rent in the local area from September/October through December** while completing her clinical rotation at Backus Hospital. She currently lives in Danbury, so temporary housing nearby would greatly help her commute and training schedule.

If you have a room available or know someone who does, please contact Pastor Breja, Elder Ernest or Sister April for her information. Thanks.
