GETTING BETTER EVERY DAY

At Metro-East Adventist Christian School, we are dedicated to continuous growth and relentless improvement in every aspect of our school. From academics to spiritual development, extracurricular programs, and student support services, we strive to provide the highest quality Christian education possible.

We know that schools thrive when students, parents, and staff work together. Families who actively partner with our school help us identify opportunities for growth, provide constructive feedback, and bring enthusiasm that fuels our mission. This collaborative spirit allows us to improve faster, innovate more effectively, and better serve each child entrusted to our care.

Our commitment to excellence extends beyond our classrooms. We continually assess our programs, curriculum, and resources to ensure that every student experiences academic success, spiritual growth, and character development in a nurturing, Christ-centered environment.

Do you know someone who is seeking a quality Christian education that is constantly improving and evolving to meet the needs of students today? We encourage you to share our school with them. Please connect them directly with us by contacting Kristina Windham / kwindham@ilcsda.org / (618) 365-6440.
