The Scriptures Aid in Nature Study, Part 3

"The real evidence of a living God is not merely in theory; it is in the conviction that God has written in our hearts, illuminated and explained by His word. It is in the living power in His created works, seen by the eye which the Holy Spirit has enlightened.

"Those who judge of God from His handiwork, and not from the suppositions of great men, see His presence in everything. They behold His smile in the glad sunshine, and His love and care for man in the rich fields of autumn. Even the adornments of the earth, the grass of living green, the lovely flowers of every hue, the lofty and varied trees of the forest, the dancing brook, the noble river, the placid lake, testify to the tender, fatherly care of God and to His desire to make His children happy."
