Important Child Safety & Sanctuary Reminder

As a church family, we are called to care for and look out for one another. Scripture reminds us, "Bear ye one another's burdens, and so fulfil the law of Christ." - Galatians 6:2

While we seek to be a church family in which we are indeed our brother's keeper, the care, safety, and well-being of the children among us are of paramount importance. To this end, we kindly ask for your full cooperation and attention to the following:

- Parents and guardians, please be reminded that the safety and supervision of your children are your responsibility. Children must remain with you or under your direct supervision at all times while on church premises. This includes during worship services, Sabbath School, Adventurer Club meetings, and when using the washrooms.
- Additionally, no food is permitted in the sanctuary, foyer, or green room. All food must be consumed in the lower fellowship hall only.

Thank you for your understanding and cooperation as we work together to keep our children safe, care for one another, and maintain reverence in God's house.

Elders on Duty: Stephanie Clayton & Janice Anderson
First Aiders on Duty: Rose Noreska & Deanna Alexander

Our Mission

The mission of the Ottawa Seventh-day Adventist Church is to proclaim the Gospel of Christ to the Ottawa region through the Christ-centered lifestyle of our members and active outreach to our community. This we propose to accomplish by the grace of God in the following ways:

- By strengthening our connection and relationship with God;
- By nurturing the growth, development, and renewal of our members; and,
- By engaging our members in serving the wider community.

Our Beliefs

Seventh-day Adventists accept the Bible as their only creed and hold certain fundamental beliefs to be the teaching of the Holy Scriptures. These 28 Fundamental Beliefs can be organized into six categories of doctrine: God, man, salvation, the church, daily Christian life, and last-day events (restoration). Visit www.adventist.org/beliefs for more information.
