Pipes, Paving, + Progress!

The parking lot has been resurfaced, making it safer and more attractive. Special thanks to Martin Bradfield (AU Transportation), AU Campus Safety, and Michigan Paving for having the lot ready on Monday. Thanks also to Jaimie Wright (AU Plant Services) and Gary Keiser (Kieser Excavating) for quickly repairing a collapsed storm drain, allowing the work to continue without delay. We appreciate the donors whose generosity made this project possible. The best is yet to come! Fundraising has increased by over \$57,000 since the last report, driven by generous annual Building Improvement donations. The excess funds are now supporting the Pipes and Paving Project, bringing us closer to our goal. Thank you to all who have contributed. If you haven't given yet, please consider joining in. We are nearly finished, and every gift helps!
