

Pioneer Memorial Church
Media Ministry — Parental Consent Form (Under 18)

This form gives permission for your child to volunteer with Pioneer Media. The full volunteer consent and privacy statement, available on our online volunteer form, also applies to your child.

Volunteer & Guardian Information

Volunteer name: _____

Parent / Guardian name: _____ **Relationship:** _____

Emergency contact name: _____ **Phone:** _____

Communication & Supervision

Pioneer Media may contact all volunteers by email, text message, or scheduling-app notifications. Only paid church staff contact volunteers for scheduling or general communication. Volunteers are expected at their media station during scheduled service times; outside those times, parents remain responsible for their child's location, safety, and decisions while at church.

Photo, Video & Media Use

Pioneer Memorial Church is a public worship space. Your child may be photographed or filmed during media ministry activities, and that footage may be used for church communications, including broadcast, livestream, social media, and promotional purposes. By signing below, you acknowledge and consent to this.

Medical Information & Emergency Care

Our staff provide care only in life-saving emergencies, not routine or general care. Please list any medical conditions, allergies, or medications below so we can respond safely if a true emergency occurs.

Medical conditions / allergies / medications (if none, write "none"):

If your child needs emergency care and you or the emergency contact cannot be reached immediately, I authorize Pioneer Memorial Church staff to seek necessary life-saving emergency medical attention on my child's behalf, including contacting emergency services.

Acknowledgment & Signature

Having read and understood this form, along with the online volunteer consent and privacy statement, I give permission for my child, named above, to volunteer with Pioneer Memorial Church's media ministry.

Parent / guardian signature: _____ **Date:** _____
