DRIVER INSTRUCTIONS - BAG DISTRIBUTION

- Do only houses with driveways directly on the streets you are assigned.
- Leave the bag at the main entry door if possible; otherwise, use the front door.
- Record extra or missing bags on your map. If short, mark the area not completed.
- Pathfinders do not need to ring the doorbell. If they see someone, explain that we are collecting food for those in need and will return next Sunday to pick up any nonperishable food they wish to donate.
