EFFECTIVE MINISTRY

“Christ’s method alone will give true success in reaching the people. The Saviour mingled with men as one who desired their good. He showed His sympathy for them, ministered to their needs, and won their confidence. Then He bade them, ‘Follow Me.’” – Ellen G. White, The Ministry of Healing, p. 143.

EFFECTIVE MINISTRY

- **Methods to Be Improved**—There must be no fixed rules; our work is a progressive work, and there must be room left for methods to be improved upon. But under the guidance of the Holy Spirit, unity must and will be preserved.—[The Review and Herald, July 23, 1895](#). Ev 105.1
- **Different Methods From the Past**—Means will be devised to reach hearts. Some of the methods used in this work will be different from the methods used in the work in the past; but let no one, because of this, block the way by criticism.—[The Review and Herald, September 30, 1902](#). Ev 105.2
- **New Life in Old Methods**—Men are needed who pray to God for wisdom, and who, under the guidance of God, can put new life into the old methods of labor and can invent new plans and new methods of awakening the interest of church members and reaching the men and women of the world.—[Manuscript 117, 1907](#). Ev 105.3

EFFECTIVE MINISTRY

- “Study Your Location” — “Enter the large cities, and create an interest among the high and the low. Make it your work to preach the gospel to the poor, but do not stop there. Seek to reach the higher classes also. Study your location with a view to letting your light shine forth to others. This work should have been done long since.” — Testimonies to Ministers and Gospel Workers, 400 (1896). Ev 74.3

Amen.”
