**WHYBECHURCH?** "Church is not a place or a program. Church is not a checklist or a chore. Church is you. Church is me. Church is all of us living kingdom values and answering God's call wherever we are." We study His life and go out into the community to practice what it means to be the church. We love you and hope you join in! 1John 2:5-6

### PathFINDERing

**Instruction** Pathfinders is designed to teach concepts and skills that accentuate harmonious growth mentally, physically, socially, and spiritually. Pathfinder classes plus more than 300 honors provide instructional options that help children and youth develop a decided jump-start momentum for adult achievements. Pathfinders is class time in the real-world—not just theory study. Tents get pitched. Nature is experienced. Crafts are made. Gardens are tended. Hikes are Hiked. Canoes are paddled. Children grow up like Jesus did—blending thinking, doing, feeling, and choosing into a sanctifying whole.

**New Experiences** At Pathfinders youth can do together what they cannot do alone. Through educational field trips, conference events, national camporees, socials, fund-raising, and out-reach projects, Pathfinders enjoy a kaleidoscope of new experiences. As a bud blossoms into a fragrant, fully developed flower, Pathfinding's new experiences help young potentials grow into experiential godliness. Some children experience caring adults only at Pathfinders" adults who gently guide hands through a new craft, help to build a first campfire, or lash together camp furniture. These adults encourage kids to keep going when the hike gets tough, respond gently to misbehavior, and joyously celebrate with them when they succeed. The most awesome new experience that Pathfinders brings to hurting kids is the realization that I am special, I am important, and I am loved!

**Decision-Making** Making decisions for eternity is a central purpose of Pathfinding. Youth are led to become a "servant of God and a friend to man." Leadership is encouraged at every level of Pathfinders. Unit scribes and captains gain experience helping with club decision-making. Pathfinder activities teach teamwork. Pathfinders are taught to accept responsibility for the decisions they make as they share work, choose activities, and blend their differences. Away from the stained-glass picture of Christianity which youth often get at church, Pathfinders can see how living for Jesus really works in the stresses of an active lifestyle. Learning how to "fit" biblical principles into the everyday realities of young lives is what Pathfinders is all about.

**Conclusion** These are our own "acres of diamonds." They wait to be discovered, polished, and sent sparkling into a needy world as diamond for Jesus. Pathfinding gives our youth fellowship, instruction, new experiences, and opportunities to make life-changing decisions. How thankful we can be to God for this treasure in our own "field"!
