"The Lord is my light and my salvation; whom shall I fear?" — Psalm 27:1

Every day, we face choices that pull us toward different paths. Some choices feel easy, some feel heavy, and some feel like they carry the weight of our future. But God reminds us that we never walk those paths alone. His light is not just a distant glow — it is a guide, a comfort, and a promise.

In our youth skit today, she faced a moment many of us know well: disappointment, pressure, and the temptation to hide her struggles. Yet even in her frustration, God placed voices of encouragement around her. He sent reminders of truth, scripture, and community. And when she prayed, God answered — not by removing the challenge, but by giving her courage to choose the right path.

Choosing the light is rarely the easiest option. It may mean telling the truth when it's uncomfortable, walking away from the crowd, or standing firm when others don't understand. But choosing the light always leads us closer to Jesus. It strengthens our character, protects our purpose, and opens doors we never expected.

Today, let this Youth Day remind you:
God's light is stronger than any darkness you face.

His Word renews your mind and steadies your steps.

His people — your church family — walk beside you.

His purpose for you is greater than any mistake or setback.

May we all be — honest, courageous, and willing to follow God even when the world pulls in another direction. And may the light of Christ shine through us so brightly that others see Him in our choices, our character, and our love.

Lord, help us choose Your light today. Guide our hearts, strengthen our minds, and make us reflections of Your grace. Amen.
