## From the Pen of Inspiration

I urge our people to cease their criticism and evil-speaking, and go to God in earnest prayer, asking Him to help the erring. Let them link up with one another and with Christ. Let them study the seventeenth of John, and learn how to pray and how to live the prayer of Christ. He is the Comforter. He will abide in their hearts, making their joy full. His words will be to them as the bread of life, and in the strength thus gained they will be enabled to develop characters that will be an honor to God. Perfect Christian fellowship will exist among them. There will be seen in their lives the fruit that always appears as the result of obedience to the truth. (*Reflecting Christ*, p. 200.)

**Bible Studies Through Mail:** We're looking for volunteers to help with our Bible School Mail Correspondence ministry! This is a simple, yet impactful way to share the Bible. Your main tasks will involve sending weekly or bi-weekly Bible study lessons to individuals who request them and making occasional follow-up calls to ensure they're receiving the studies and to answer any questions. We'll provide you with all the necessary materials, including study packets, requester information (name, address, phone), envelopes, stamps, and labels. While basic computer skills are a plus, they aren't required. If you're interested in helping with this great ministry or have questions contact Matt Burton 208-416-8138.
