From the Pen of Inspiration

We need to be converted from our faulty lives to the faith of the gospel. Christ's followers have no need to try to shine. If they will behold constantly the life of Christ they will be changed in mind and heart into the same image. Then they will shine without any superficial attempt. The Lord asks for no display of goodness. In the gift of His Son He has made provision that our inward lives may be imbued with the principles of heaven. It is the appropriation of this provision that will lead to a manifestation of Christ to the world. When the people of God experience the new birth, their honesty, their uprightness, their fidelity, their steadfast principles, will unfaillingly reveal it. (*Lift Him Up*, p. 171.)

Bible Studies Through Mail: We're looking for volunteers to help with our Bible School Mail Correspondence ministry! This is a simple, yet impactful way to share the Bible. Your main tasks will involve sending weekly or bi-weekly Bible study lessons to individuals who request them and making occasional follow-up calls to ensure they're receiving the studies and to answer any questions. We'll provide you with all the necessary materials, including study packets, requester information (name, address, phone), envelopes, stamps, and labels. While basic computer skills are a plus, they aren't required. If you're interested in helping with this great ministry or have questions contact Matt Burton 208-416-8138.
