From the Pen of Inspiration

The great work of the gospel is not to close with less manifestation of the power of God than marked its opening. The prophecies which were fulfilled in the outpouring of the former rain at the opening of the gospel are again to be fulfilled in the latter rain at its close. Here are "the times of refreshing" to which the apostle Peter looked forward when he said: "Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord; and He shall send Jesus." Acts 3:19, 20. (*The Great Controversy*, pp. 611.)

MEMBERS PROPHECY STUDY CLASS: Starting May 5th at 6:00 PM, we are launching a 24-part study designed specifically to help our members move from "student" to "teacher." This series focuses on building the confidence you need to lead your own Bible studies on Daniel and Revelation with people in our community. By exploring the deep correlations between Matthew 24 and the end-time prophecies of Revelation, we will bridge the gap between personal understanding and active ministry. Using Steven Bohr's study on Matthew 24 alongside insights from the Spirit of Prophecy, you will master the events leading to the close of probation and see how these prophetic themes intertwine. Our goal is to ensure you feel fully prepared, comfortable, and equipped to share these vital truths with clarity and ease. For questions please contact Matt Burton at (208) 416-8138.
