Makers workshop Results: We would like to thank all our church members and community members who came out and helped us with our first Skills Camp this past week. After hearing reports from volunteers, attendees, and parents, we know it has been a blessing to those participating. We had close to 50 6-10 year old children, and thanks to Karen and her amazing team, close to 15 preschoolers attending daily. We ended on Wednesday with fun field games outdoors and an ice-cream social. We also were blessed by having the His travelers helping us this year. God has blessed this initiative and we are excited to offer this ministry again to our community next summer to the honor and glory of His name..

Sonshine Northwest Free Health Clinic is July 31 & August 2. From the Pen of Inspiration

Let us seek a new conversion. We need the presence of the Holy Spirit of God with us, that our hearts may be softened and that we may not bring a harsh spirit into the work. I pray that the Holy Spirit may take full possession of our hearts. Let us act like children of God who are looking for Him for counsel, ready to work out His plans wherever presented. God will be glorified by such a people, and those who witness our zeal will say: Amen and amen. (Maranatha, p. 312.)

MEMBERS PROPHECY STUDY CLASS: Starting May 5th at 6:00 PM, we are launching a 24-part study designed specifically to help our members move from "student" to "teacher." This series focuses on building the confidence you need to lead your own Bible studies on Daniel and Revelation with people in our community. By exploring the deep correlations between Matthew 24 and the end-time prophecies of Revelation, we will bridge the gap between personal understanding and active ministry. Using Steven Bohr's study on Matthew 24 alongside insights from the Spirit of Prophecy, you will master the events leading to the close of probation and see how these prophetic themes intertwine. Our goal is to ensure you feel fully prepared, comfortable, and equipped to share these vital truths with clarity and ease. For questions please contact Matt Burton at (208) 416-8138.
