From the Pen of Inspiration Those who seek to remove the old landmarks are not holding fast; they are not remembering how they have received and heard. Those who try to bring in theories that would remove the pillars of our faith concerning the sanctuary, or concerning the personality of God or of Christ, are working as blind men. They are seeking to bring in uncertainties and to set the people of God adrift, without an anchor. (20 LtMs, Ms 62, 1905, par. 14).

MEMBERS PROPHECY STUDY CLASS: Tuesdays at 6:00 PM, we are studying a 24-part study designed specifically to help our members move from "student" to "teacher." This series focuses on building the confidence you need to lead your own Bible studies on Daniel and Revelation with people in our community. By exploring the deep correlations between Matthew 24 and the end-time prophecies of Revelation, we will bridge the gap between personal understanding and active ministry. Using Steven Bohr’s study on Matthew 24 alongside insights from the Spirit of Prophecy, you will master the events leading to the close of probation and see how these prophetic themes intertwine. Our goal is to ensure you feel fully prepared, comfortable, and equipped to share these vital truths with clarity and ease. For questions please contact Matt Burton at (208) 416-8138.
