From the Pen of Inspiration

There will be a sharp conflict between those who are loyal to God and those who cast scorn upon His law. The church has joined hands with the world. Reverence to God’s law has been subverted. The religious leaders are teaching for doctrine the commandments of men. . . . The truly loyal will not be carried away by the current of evil. They will not throw scorn and contempt on that which God has set apart as holy. The test comes to every one. There are only two sides. On which side are you? (*That I May Know Him*, p. 211.)

MEMBERS PROPHECY STUDY CLASS: Tuesdays at 6:00 PM, we are studying a 24-part study designed specifically to help our members move from "student" to "teacher." This series focuses on building the confidence you need to lead your own Bible studies on Daniel and Revelation with people in our community. By exploring the deep correlations between Matthew 24 and the end-time prophecies of Revelation, we will bridge the gap between personal understanding and active ministry. Using Steven Bohr’s study on Matthew 24 alongside insights from the Spirit of Prophecy, you will master the events leading to the close of probation and see how these prophetic themes intertwine. Our goal is to ensure you feel fully prepared, comfortable, and equipped to share these vital truths with clarity and ease. For questions please contact Matt Burton at (208) 416-8138.
