My name is Abby Everett and I am so excited to teach TK at Northwest Christian School! I have a Bachelor's of Science in Early Childhood Education and have taught in a variety of classrooms over the years, with most of my experience being in Kindergarten. Our classroom approaches learning through play-based activities that target specific kindergarten readiness skills. I love observing and tracking how quickly growth and development happens at this age - it's so fun to see!

At Northwest Christian School our program provides a safe and nurturing Christian environment that promotes the physical, social, emotional, and cognitive development of young children.

Our facility is secure with locked doors during school hours. Students and staff stay prepared by having monthly fire drills and quarterly disaster drills.

Our ratios are 10 students to 1 teacher with a group size of up to 20 students. We serve children who are fully potty trained ages 4-5 years old.

We offer options to accommodate the needs of most families. You can choose from 3, 4, or 5 days a week with the option of full days (8:15-3:15) or half days (8:15-12:15). Before school care (open at 7:00 a.m.) and after school care available for an additional fee.

Our programs teach and reinforce the following skills.

Social and Emotional Skills:

- Respect and responsibility
- Developing a relationship with Jesus and learning how to share His love with others

Cognitive Skills:

- Following multi-step instructions
- Problem solving, decision making, and visual/abstract thinking
- Imaginative play

Physical Skills:

- Hand-eye and body coordination (large and fine motor skills)
- Manipulatives, coloring, cutting and glueing

Kindergarten Readiness Skills:

- Recognition and writing of own printed first name
- Counting, matching and identifying numbers 0 - 10
- Recognition of some upper and lower case letter names
- Knowledge of some letter sounds
- Recognition of shapes, colors, and patterns
