Quote "Through creation and redemption, through nature and through Christ, the glories of the divine character are revealed. By the marvelous display of his love in giving "his only begotten Son that whosoever believeth in him should not perish, but have everlasting life," the character of God is revealed to the intelligences of the universe. Through Christ our Heavenly Father is made known as the God of love." The Signs of the Times, February 13, 1893, par. 5
