In My Father's Hands

In my Father's hands, I am comforted,
and in the perils of life, feel His peace,
when doubts arise and life's anxieties,
He's my hope, my strength, my sweet release.

In my Father's hands, I find contentment,
His character, to meet the world's demands,
and in the quiet and dark of the night,
assurance to rest, in my Father's hands.

In my Father's hands, lie my life and breath,
preserved by His love and infinite grace,
a work in progress, to grow day by day,
till tried and worthy, we stand face to face.
