With heavy hearts, we announce the passing of **Susan Kelly** on October 28. The family will let us know at a further time when a memorial service will be held. Please join us in lifting up Susan's family in prayer, asking God to surround them with His peace, comfort, and strength during this difficult time.

Thank you church family for the love, support and prayers you have shown me during my recent health crisis. Thank you for the hospital visits, texts messages, and cards. I am truly grateful for each act of kindness which reminded me of God's grace and love through this community. I am truly blessed to be part of a church that cares about one another. Thanksgivings

Thanksgiving is a time to appreciate life's blessings,
through prosperity or hardships, we encounter each day,
if by faith we walk humbly, and will always remember,
who is accompanying us, every step of the way.

With hearts of thanksgiving, is to appreciate God's grace,
though undeserving, receive many blessings each day,
so with our family and friends, may we praise our Lord's goodness,
and through our lives of abundance, give thanks, bow, and pray.

Catherine Mathers
