Picture of the Week

Today we had our first school wide chapel of the school year. Pastor Junnie spoke to students about the blessings we have at our school and the challenges other children have to face just to get to school everyday. As we continue through this school year, we want to remain grateful for all that we have and notice each blessing God places upon our school.

Doss Dialogue

Dear Families,

As we reflect on our journey so far, I want to share how inspired I have been by the great first two weeks of school. Our students and staff have filled our building with a "joyful" noise, a true testament to the vibrant and loving community we have at Richmond Academy.

As we begin to move into the next months of the school year, I am reminded of the blessings that God has so faithfully poured out on us. I firmly believe that these blessings are a direct result of the unity–being of one accord–that exists on our campus and within our churches. This spirit of togetherness allows God to pour out His Holy Spirit upon us, filling our environment with grace and positivity.

You only need to walk our halls or spend time on the playground to witness these blessings firsthand. The laughter, energy, and enthusiasm of our students are beautiful reminders of God's love and provision. Each day, as we work together in faith, we are creating an atmosphere where every student can thrive and grow.

In the spirit of 1 Corinthians 15:58, which encourages us to *"stand firm, let nothing move you, always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain,"* let us continue to invest our time and love into our students and community. Together, we can nurture an environment of joy, learning, and Christ-centered purpose.

Thank you for your continued support as we embark on this blessed journey together. I am excited to see all that God will do in our lives and in the lives of our students this school year!

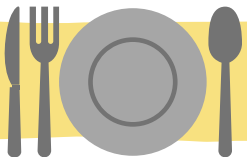

Blessings,

Mr. Doss

SCHOOL TRIPS

3rd - 4th Mission Laser Trip

The 3rd and 4th graders enjoyed a field trip at Mission Laser. We played laser-tag and learned about all about how lasers work using reflection and refraction.

NEWS FROM OUR CLASS

2nd Grade

Yesterday our second graders were learning about God's amazing creation and practicing **Genesis 1:1:**
"In the beginning God created the heaven and the earth."
I loved seeing them listening, reading, and paying close attention to the lesson. It is such a blessing to watch them grow not only academically, but also in their relationship with Jesus.
