Picture of the Week

Happy Fall! This week we had the first day of Fall (Tuesday, September 22). We are already enjoying the cooler weather and celebrating the new season.

Kindergarten celebrated fall this week by learning about apples. We explored apples using our 5 senses, measured an apple's weight and circumference, labeled the parts of apples, matched apple letters, and read books about apples.

Doss Dialogue

Dear Families,

I hope this message finds you well! Today, I was filled with joy as I saw our students in their new colored t-shirts for our family worship groups. It was wonderful to witness them come together as S.A. Pastor Michael led our worship service. Seeing our students share Jesus with one another is truly a blessing and a reflection of our mission at Richmond Academy.

As we move into the fall season, I am reminded of our important goal–to share Jesus among us every single day. In John 17:3, we are reminded that **"Now this is eternal life: that they know you, the only true God, and Jesus Christ, whom you have sent."** This scripture emphasizes the significance of knowing Christ intimately, and it warms my heart to see our students opening their hearts to the Holy Spirit. It allows God to work through them to share the love of His Son, Jesus, with others in our building.

What a blessing it is to be part of a school where the message of Jesus is shared so freely in various forms and through the diverse gifts of our community. We are creating an environment where faith is nurtured and students are encouraged to grow in their relationship with Christ.

Thank you for your continued support of our mission. Together, we can help cultivate a vibrant and loving faith community at Richmond Academy.

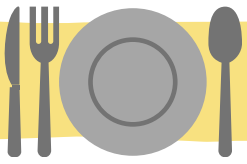

Blessings,

Mr. Doss
