CHRISTIAN RECORD
SERVICES FOR THE BLIND

How much is your sight worth?

A few years ago, Claudia was talking with a recently baptized Adventist teenager about disabilities. Roger was in awe how Claudia was able to get around, read, and function with a severe disability that drastically reduced her sight. Claudia lost her eyesight ten years prior and was totally and legally blind. She was studying to become a Seventh-day Adventist Christian, and was reading several publications that were provided by Christian Record Services.

After Roger left Claudia's home, he decided to put a bandana on his eyes and try to function without his eyesight for an entire day. He tried memorizing the placement of furniture, dishes, and other essentials in his room. He only lasted one hour. Roger kept bumping into things in his house, could not find anything, and was frustrated. He took

off his bandana and understood how important it is to have eyesight and be able to function.

Christian Record Services is an organization that provides materials and services for people who are limited in their ability to see or are totally blind. They also provide camps for children who are blind and cannot afford it.

By supporting Christian Record Services with your generous financial contribution, we provide opportunities for people and children who need it the most. Your monetary gifts to this organization will bring blind people closer to Jesus and will also fulfill the commission described in Matthew 28:18-20.
