WORLD BUDGET – RADIO MINISTRIES

God's plan for the support of His work on this earth is through the tithe and freewill offerings of His people. Today's offering is for the World Budget department of Radio Ministries.

Adventist radio ministries have had a profound global impact, reaching people in places where traditional mission work is limited or impossible. Radio waves go where missionaries cannot go. Romans 10:17 says, "So, then faith comes by hearing, and hearing by the word of God."

Through your offering today, many people will be reached by hearing the Adventist message on their radios. Many radio listeners will enroll in Bible correspondence schools or request in-person visits. Many will hear hope-filled messages. In times of uncertainty, faith-based radio brings peace and spiritual comfort.

Besides Adventist Word Radio (AWR), the Adventist church supports radio stations and programs around the world that reach people with the distinctive, Christ-centered, Seventh-day Adventist message of hope and wholeness.

SCRIPTURE

1 Samuel 14: 8-10

"All right, then," Jonathan told him. "We will cross over and let them see us. If they say to us, 'Stay where you are or we'll kill you,' then we will stop and not go up to them. But if they say, 'Come on up and fight,' then we will go up. That will be the Lord's sign that he will help us defeat them."
