RE: Nominating Committee Report

Enclosed is the report of the Session Nominating Committee. The Southern California Conference Bylaws Section 3.3.2, reads as follows:

> *3.2.4 <u>Report.</u> Upon completion of its deliberations, the nominating committee shall issue a report of its nominations to the secretary who shall distribute a copy to all delegates within two (2) business days following receipt. This report shall include the time and place of a special meeting of the nominating committee, which shall occur not less than seven (7) days prior to the session. At this meeting delegates may appear to present comments to the report for the nominating committee's further consideration. If the nominating committee shall elect to make any changes to its report prior to formal presentation at the session, any changes, together with the reason(s) for such change(s), shall be reported to the delegates.*

Yesterday, the Session Nominating Committee submitted its report to my office, this report is now available online at the Session Website (www.2015sccsession.org). We encourage you to visit this website and look into the Nominating Committee section.

The meeting referred to above will take place on <u>Sunday, April 19, 2015</u>, from 9:00 a.m. - 12:00 p.m. in the Committee Room of the conference office (see address above).

In order to maximize the time for everybody, those delegates who want to appear, are asked to schedule their visit by calling or emailing to the Conference Secretary Office before 5:00 p.m. on Wednesday, April 15, 2015.
