interest in studying the Bible more when Christina knocked on her door. She bought a set of books and signed up for Bible studies. Donato Candia, CROSS Trainer for All Nations church followed up in September 2014. They started doing Bible studies. It wasn't just her though—her entire family was studying! Many times her children would bring their friends and spouses. David Fernandez preached an evangelistic series called *Wifi Connection* and Bonnie came, filling an entire pew with her family! Testimony: A Youth Rush student knocked on Dave's door in Whittier. After the student shared books with Dave, he said, "Wait! Are these Ellen White books?" The student responded that the ones he had in his hand were indeed written by Ellen White. Dave was a backslidden Adventist and when the student showed up on his doorstep he saw it as a sign from God that he should go back to church. He began attending the Whittier church soon afterward. When the time came for the evangelistic series, he sat through every night, learning more about the Bible and deepening his relationship with Jesus. Then, he got baptized!
