TODAY'S MESSAGE

Who needs the investigative judgment? Here's who: **God** needs the investigative judgment—not for His *information*, but rather for His *vindication*. (God needs to be vindicated for letting us into heaven!). **We** need the judgment—not for our vindication, but rather for our information! The **angels** and the unfallen worlds, the prosecution (the **devil** and his angels)--all need it. This judgment has a vital part in God's vindication before the entire universe.

God was vindicated at the cross for forgiving anyone in the whole world. Through Jesus' death, sin's penalty was paid, and God can now be just and the justifier of those who believe on Him. The investigative judgment, however, shows to the universe that God is justified in forgiving the ones who actually get forgiven. For in spite of the fact that the cross was a sufficient sacrifice for the whole world, not everybody gets forgiven. And finally, the judgment during the 1000 years justifies God for *not* forgiving the ones who are not forgiven.

God is intent on getting every possible soul into His kingdom forever. But He is also intent on making sure that when He gets us there, we will be happy there forever.

God keeps meticulous records, not for the purpose of keeping us out of heaven, but for the purpose of getting us into heaven in spite of the devil's charges.

The purpose of the pre-advent judgment is to *reveal* – not to discover, but to reveal—those who have not only accepted Jesus once, but who have *continued* to accept Him day by day, enduring to the end.
