WELCOME

*We are glad you have come to worship and fellowship.
To help make our time together be more meaningful, please
silence your cell phones during the meetings.*

Our featured speaker is David Smith. His theme this weekend is “What Jesus Asks Us to Do.” During his nearly 50 years of service for the Seventh-day Adventist Church, David Smith was a boarding academy teacher, college professor, president of Union College and Southern Adventist University, and lead pastor for the University Church in Collegedale, Tennessee. He has had the privilege of sharing Jesus with people in nearly every state of the United States and in several countries abroad. Now retired, David enjoys spending time with his wife, Cherie, his two daughters, their spouses, and his six grandchildren.
