~Scripture Reflection~

II Corinthians 5:19

…that God was reconciling the world to himself in Christ, not counting people's sins against them. And he has committed to us the message of reconciliation.

~Worship Thought~

Scripture must be compared with scripture; there must be careful research and patient reflection. And such study will be richly repaid. As the miner discovers veins of precious metal concealed beneath the surface of the earth, so will he who perseveringly searches the Word of God as for hid treasure, find truths of greatest value, which are concealed from the view of the careless seeker. {Our High Calling p. 205}
