Dear Board Members,

I hope each of you is doing well.

I am writing to request your approval to fund our Personal Ministries Leader, John Triplett, to attend Evangelism Impact with the Carolina Conference, scheduled for **January 1–3**. This event is designed to inspire, equip, and train local church leaders in practical evangelism, outreach strategies, and community engagement areas that are directly connected to the mission and vision we have been developing for our churches.

Our Personal Ministries Leader is deeply involved in helping our church grow in outreach and Bible study ministry. By attending this event, they would bring back valuable resources, practical ideas, and spiritual motivation that will directly benefit our congregation and our outreach plans for 2026.

The total cost for registration, lodging, and travel is **\$500**

I believe this will be a worthwhile investment in strengthening our mission focus and preparing our leadership for upcoming evangelism efforts.

If you are in favor of approving these funds, please reply to this email with **"Yes"** or share any questions you may have. This will be deducted from the evangelism fund. Your timely response will help us secure registration and travel arrangements as soon as possible.

Thank you for your prayerful support and commitment to advancing our church's mission.

Blessings,

Good Morning Board Members!

Cindy just received a quote from Bill Gibson for additional work around the church: spreading mulch for \$125 and trimming the bushes for \$40. This would be in addition to his regular monthly lawn-care service.

Would you like to approve this work so we can move forward, or should we hold off?

Lewis Clark

Yes

John Triplett

Yes

Cindy Bowman
