Quotes of the Week

"The LORD was with Joseph, and he was a successful man; and he was in the house of his master the Egyptian. And his master saw that the LORD was with him and that the LORD made all he did to prosper in his hand." Genesis 39:2-3

"Loyalty to God, faith in the Unseen, was Joseph's anchor. In this lay the hiding of his power... By their wisdom and justice, by the purity and benevolence of their daily life, by their devotion to the interests of the people—and they idolaters—Joseph and Daniel proved themselves true to the principles of their early training, true to Him whose representative they were." Bible Riddle: My strength was because of my hair, The Philistines thought it wasn't fair, They sent Delilah to me to spy, I was shaved and chained and gave a cry, But in the end God answered my prayer. Who am I?
