Quotes of the Week

"Now the fruit of righteousness is sown in peace by those who make peace." James 3:18

"The greatest disquietude we can have is uncertainty. The acceptance of the blessings of God brings righteousness and peace. The fruit of righteousness is quietness and assurance forever. We must have simplicity and Godlike sincerity. We must have that wisdom which cometh from above. Our Christian experience must be animated by piety, and instinct with the divine life."—The Upward Look, p. 99.
