Quotes of the Week

"I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life." John 8:12.

"In actual experience Christ has overcome the world, and how great is His love to us when He invites us to come to Him in all our afflictions, distresses, heartaches, and perplexities, with the assurance that He will help us. He will bring health and brightness into our lives. If we place our hand in the hand of Jesus Christ, He will place our feet on solid rock, a better foundation than we ever had before. He will make us more strong in His strength and He will work with all our efforts." The Upward Look 162
