The scripture for today: Revelation 21:23

Those who are privileged to enter into the Holy City will experience unspeakable wonders. The trials of this life and the perceived sufferings endured will seem like nothing at all compared with life lived in the presence of the glory of God. All of the things we endure now for the sake of truth will not be worth mentioning. God asks so little of us in exchange for so much. Trying to imagine a place that is constantly illuminated without the need of the sun or moon is difficult. But we understand that the Spirit of God is omnipresent. He is the source of illumination. He reveals the truth of God's Word to every heart that is receptive. He draws us to God and reveals the heart of the Father to surrendered hearts. He writes the very law or character of God in our hearts and directs us into a love relationship with the Father through His Son. That illumination is within the heart of everyone who yields to the Holy Spirit, opening their hearts to Christ, the living Word of God. His illumination is brighter than all of the darkness that surrounds us. It gives us comfort and provides safe direction in times of trouble. In the heavenly city which Christ is building for His people, the sun and moon will not be necessary. The light of God will be there continuously. "And there shall be no night there; and they need no candle, neither light of the sun; for the Lord God giveth them light: and they shall reign for ever and ever." Revelation 22:5 The spiritual light which we currently cling to by faith will be shining brightly for all to see throughout all eternity. Darkness will not exist in any form. For "God is light, and in Him is no darkness at all." 1 John 1:5 That spiritual reality will become an everlasting experience for those who embrace the Savior. It would be a shame to trade an eternity in the new creation, in the very presence of God's glory, for a few short years of selfish living on this earth. No matter what the cost or whatever we have to sacrifice "heaven will be cheap enough." *Testimonies to the Church, Vol. 2, p72*
