ADRA Appeal for NEPAL DISASTER:

Dear Church Family, our brothers and sisters in Nepal are facing a devastating emergency. A catastrophic flash flood has swept through communities in northern Nepal, destroying homes, roads, bridges and vital health facilities. More than 500 people have been confirmed dead, hundreds remain missing and more than 90,000 people are estimated to have been affected.

ADRA Nepal is already coordinating with government authorities, local organizations and humanitarian partners. Early reports point to an urgent need for food, temporary shelter, clean water, hygiene supplies and health support. Donations will be directed to the highest-priority needs as access improves and assessments are completed.

4. Congratulations to the Zulu Family!

Dear friends, let us joyfully congratulate the Zulu family on the newest addition to their family — Uzziel Owenkosi Zulu, born on Sunday, August 23! The name Uzziel comes from Hebrew and beautifully means “God is my strength.” What a wonderful name and reminder of God’s faithfulness! On behalf of our entire church family, congratulations and many blessings to the Zulu family! May God richly bless little Uzziel and the whole family with His love, strength, joy, and grace in the years ahead!
