ADRA Appeal for NEPAL DISASTER:

Dear Church Family, our brothers and sisters in Nepal are facing a devastating emergency. A catastrophic flash flood has swept through communities in northern Nepal, destroying homes, roads, bridges and vital health facilities. More than 500 people have been confirmed dead, hundreds remain missing and more than 90,000 people are estimated to have been affected.

ADRA Nepal is already coordinating with government authorities, local organizations and humanitarian partners. Early reports point to an urgent need for food, temporary shelter, clean water, hygiene supplies and health support. Donations will be directed to the highest-priority needs as access improves and assessments are completed.

SPECIAL THANKS FROM COMMUNITY SERVICES:

Many thanks to all who supported and contributed to the Community Services Food Drive of September 5! We distributed about 20 bags to our community. May God bless your generous response.

5. Special Request from Judyth Fry

Hello Church Family, I’m looking for a place to store some personal belongings for about six months, starting at the end of October. I have approximately 12–15 large bins, 6 smaller bins, a bicycle, and a piano (formerly belonging to Hildegard Stein and Tim). The items can be stored in different locations if needed. If someone could use the piano for a year or two, or the bicycle, I’d be happy to arrange that as well. About 3–4 smaller bins contain my stamp collection and would need temperature-controlled indoor storage. If you have any space available and could help in any way, I would greatly appreciate it. I’m also willing to pay for storage. Thank you so much in advance! Judyth Fry
