ATTENDANCE GUIDELINES

Students are required by law to attend school regularly. **A valid excuse for absence is sickness or a death in the family. Notes are required to give make-up assignments for missing work.** Parents are asked to cooperate with the school by keeping their child prompt and in good attendance. As much as possible, dental or medical appointments should be made outside of school hours.

TRANSFERS

When a student transfers to this school from another school, a release form from the previous school is required. As a courtesy to the previous school, we will not allow any student to register until arrangements for payment have met the satisfaction of the previous school. When leaving AMES to another school the office needs to be informed. Tuition charges continue until the school is informed.
