Dear Parents and Guardians,

We had an amazing start to our 2026/2027 school year! Our students have been doing great and learning so much already.

Our spiritual theme for this year is 'Fit for Life ~ Play hard, Pray harder!' School activities and the worship talks have been planned around this theme.

September is promising to be a very busy month. Your student received information regarding the International Food Fair to take home. Please respond to your student's teacher regarding the Food Fair by September 11. This event will count as a school day for all our students and all funds raised will be used for field trips or equipment for school activities. More information about that day's schedule and requirements will follow. Thank you for planning to be a part of it!

Our Grades 1-8 students will take their first MAP test during the week of September 21-25. A schedule will be sent home soon.

As always, WCS will provide a light breakfast to our students. Please make sure that your child gets enough rest during this week!

Please remember that you may contact your child's teacher at any time! Use email or the contact method preferred by the teacher. We welcome open communication at WCS!

Thank you for choosing Whitehall Christian School! We are honored to support you and your child on their educational journey!

Sincerely ~ Mrs. Elbie Piotrowski
