

TWO FREE SCREENINGS

CHAPLAINS, a 2-hour documentary, delves into the dynamic world of chaplains – men and women who represent their own faith tradition but are trained to be of comfort and support to everyone – religious or not. With practices dating back centuries, chaplains today serve on the front lines of life where the questions are the deepest and the need for spiritual and pastoral care the greatest.

Could the Wood River Valley tap into chaplaincy resources to support the well-being of its community? Join us for shared learning and conversation.
