

WORD OF LIFE MINISTRY NEWSLETTER

ENOCH MINISTRY

Led by Jimmy Nelson

Reach Up exists to connect our church family to our Lord and Savior. As we reach up to connect to Christ, we are encouraging everyone to take advantage of the Audio Books, and listen to God's message for us. During this quarter, we will launch fasting and prayer days, Sabbath testimonials, as well as group studies on the Three Angels Messages and other end times subjects. Young people join us on this journey to renewed spiritual growth!

FUN in Faith!*

We are excited to plan exciting life changing activities for you all that we pray will bring hope and joy as we engage with each other throughout the year. Our next upcoming event is our Family Fun Day, on Sabbath April 18th. Please bring your blanket, lunch, lawn chair, bike, and/or scooter for your family. We will fellowship, walk, hike, and have vespers at sunset by the lake. We look forward to seeing you all there!

EQUIP MINISTRY

Led by Jasper St. Bernard

We want every church member to clearly understand and confidently be able to share the Adventist message to others. In hopes of reaching this goal, we are currently studying the life of Jesus and how to deepen our understanding of who Christ is, how the Gospels inform our understanding of Jesus, and how we use this understanding to view the tenets of Adventism. Join us each Friday evenings at 7pm on Zoom. Look out for that link!

REACH OUT

MEET
MINGLE
SHARE THE MESSAGE

Led by Jervon Stuart

The Reach Out Team (Jervon Stuart, Brittany Neal, Larry Cooper, and Jewel Gregory) exists to lead Word of Life in connecting with our community by revealing the abundant love of God through service and sharing the gospel. Reach Out plans to provide opportunities for WOL members to build relationships by “mingling with men and women as those who desire their good,” first in the church, then Frayser, and beyond. They will also provide opportunities for members to personally, and collectively, share their faith and engage in evangelism.

SPOTLIGHTING MEET MINISTRY

Led by Jewel Gregory

Meet Ministry helps WOL develop community partnerships, and create and participate in practical ministries that serve people’s physical, social, and emotional needs. This quarter, Meet Ministry will continue WOL’s partnership with the Dorothy Day House. Once a month, beginning in May, we will supply, prepare, and host a meal. Please be on the look out for how you can contribute to this opportunity to meet with those in our community.
