YACS NEWS...It is with mixed emotions we announce that Spencer Weijohn, 9th & 10th grade math and science teacher, is leaving YACS to become the Associate Boys Dean at Upper Columbia Academy. Spencer has been an invaluable asset to our school team, and we are incredibly grateful for his faithful dedication and spiritual leadership. While we will greatly miss his positive involvement at YACs, we know Spencer will be an excellent addition to the UCA staff and wish him and his family the very best. We are currently working on a plan to ensure a smooth transition for our high school students. YACS is also seeking an algebra, geometry, and physical science teacher and a part-time PE teacher for the upcoming school year. Please call 509-966-1933 for application information.
